Hugo Bar Stool

PRODUCT ID

DESCRIPTION

This modern take on a Campaign Chair has been meticulously detailed for dining. The result is a workhorse piece of furniture with a light and nimble footprint. Hugo highlights both sides of a leather hide, adding a fresh layer of texture. A playful strap marries back to the seat. The Hugo Bar Stool is perfectly scaled for any bar setting, whether inside of a grand restaurant or a residential wet bar. Available in a range of finishes, COM/COL, and customizable upon request, Hugo can sit anywhere.
